About “Graphics Designing Basics session”

Summary:

The workshop officially began with a welcome and introduction to the session. Although the participation was small, those intrested participants made the session more interactive and fruitful. The Guest Speaker, Mrs. Sujina Poudel was introduced to everyone. It started as the secretary formally started the program with national anthem followed by rotary anthem. During the session she spoke about the importance of graphics designing. She explained it in a way that was both engaging and easy to understand. She also shared the basics of components of graphics designing. This helped participants build a foundation and gain a better understanding of the subject. Since the workshop was mainly theoretical the focus stayed on concepts, explanations and discussions related to graphics designing. Participants joined the session through Google Meet. They were able to learn knowledge, about the field and its fundamental parts.
