Specified Comittee: International Relation

Sponsoring Organization: Rotary Club of Bhaktapur

Area of Focus: Establishment of Bond Beyond Borders

About: Letterhead Exchange with IC of Arrecifes

### Introduction:

For the building of connections beyond borders, IC of Medha has continued it's journey internationally and reached Argentina where IC of Arrecifes lies. Through online platforms, both clubs established the first exchanges of fellowship with the hopes of greater meaningful projects in the upcoming future.

### Project Summary:

With a communication between, it was planned to exchange letters between the Presidents, Vibe- Presidents, Secretaries and Treasurers, each with their thoughts and their best regards. The letters were exchanged via e-mail followed by the final thanks officially on September 10th.

A huge appreciation goes to the IC of Arrecifes as well as the ISDs who made this project possible. We hope to take this relation further ahead.

Dear Secretary,

We hope that you and all the members of your club are doing well and in high spirits. We are delighted to finalize this exchange of letterheads with you. For our club, this kind of initiative goes far beyond paper: it represents a wonderful opportunity to build bridges with people from other parts of the world who share the same dream—to transform reality and leave a positive impact.

We hope to build a strong bond of friendship and fellowship, sharing the values of service that Rotary instills in us. We aim to strengthen our connections so that, in the future, we can develop joint projects, organize virtual meetings, and build international ties.

Warm regards,

Dear Secretary,

Warm Rota Greetings from the Interact Club of Medha. It is our absolute pleasure to be connecting with your club and taking a step towards a bond of fellowship. We hope this connection allows us to exchange our cultures, experiences, and ideas while creating memories that go beyond borders.

As secretaries, I am looking forward to strengthening communication and fostering a lasting international friendship between our clubs. Connecting to various parts of the vast globe, may this exchange be the beginning of a wonderful journey of fellowship, cultural understanding, and service together. I manifest that the miles between us never limit our connection but rather make our bond even more special.

Warm Regards,
