Introduction

The Lamp Lighting Ceremony was a collaborative event organized by more than 25 Interact Clubs of Shanti and held at the school ground of Shree Shanti Namuna Academic Vidyalaya. The event brought together more than 35 participants with a shared purpose of remembering the lives affected and lost during the Gen-Z movement of Bhadra 2025, as well as the recent devastating floods and landslides across the country. Through the symbolic lighting of lamps, the program expressed solidarity, remembrance, and a collective hope for peace, harmony, and a future free from conflict and unnecessary loss.

The lighting of the lamps symbolized our respect for those affected by recent tragedies and our prayers for the departed to rest in peace. It also conveyed a message of unity, compassion, and peace, encouraging the youth to stand together against conflict, violence, and division while working toward a safer and more harmonious society.
