Area of Focus: Disease prevention and treatment

Introduction

The Interact Club of Shanti, in coordination with Modern Society Dental and the school administration, organized a Dental Health Screening & Awareness Campaign for students of Grades 8 and 9. The program aimed to promote oral health awareness, encourage regular dental check-ups, and provide students with accessible preventive dental care through professional screening and practical health education.

Program Summary

The program included free dental check-ups and oral health screening for students of Grades 8 and 9. Dental professionals examined the students' teeth and provided guidance on proper oral hygiene, brushing habits, common dental problems, and preventive care. The interactive session was both informative and engaging, helping students understand the importance of maintaining good dental health and seeking timely dental care.
