About ‘ Stationery and Uniform Donation Programme’

Introduction:

Hosted by the Interact Club of Annapurna SOS in collaboration with the Youth Red Cross Circle SOS, we successfully organized a Stationery and Uniform Donation Programme at Mahendra Secondary School, Tanahun. A little support can go a long way!

Project Summary:

For our Stationery and Uniforms Donation Programme, our team gathered and departed together directly from our college, traveling to Mahendra Secondary School in Tanahun with supplies in tow. Upon arrival, we were greeted with immense warmth and spent time breaking the ice by playing games, laughing, and interacting closely with the kids in the schoolyard before distributing essential stationery kits, and uniforms in collaboration with the Youth Red Cross Circle SOS. More than just handing out notebooks and pens, uniforms; stepping out from our routine to actively engage and play with the children brought incredible energy, boosting their confidence and bringing genuine joy to their learning journey.
