About 'Glow For The Gone'

Introduction

On September 7th, 2026, the Interact Club of New Horizon (ICNH) organized a solemn Candlelight Lighting Program at the New Horizon E.B.S. School, Butwal-11, Kalikanagar. Conducted under the Community Service Committee, this emotional event was held to honor and remember the victims who tragically lost their lives in the Rasuwa flood, as well as to pay tribute to those who sacrificed their lives one year prior during the Gen Z protests.

Project Summary

The event brought together students, teachers, and club members in a quiet, reflective atmosphere on the school grounds. As a symbol of national unity, solidarity, and collective grief, attendees meticulously arranged and lit candles forming the geographical shape of Nepal's map. A minute of silence was observed in memory of the departed souls, followed by brief reflections on resilience, peace, and standing together during times of tragedy. The glowing outline of Nepal against the evening backdrop served as a powerful reminder of shared strength and compassion across the nation.
