About Cultural Exchange Programme - Maitri

Introduction:

On 25 September 2026, the Cultural Exchange Programme – Maitri was organized through Google Meet by the Interact Club of Shikshantar and the Interact Club of Bhawal Heritage. The programme aimed to provide an opportunity for participants to explore each other's cultures, share cultural knowledge, and build meaningful international relationships.

Project Summary:

The programme was conducted virtually through Google Meet and lasted for approximately one hour. During the session, participants from both Interact Clubs gave presentations about their respective cultures, allowing them to learn about each other's traditions, customs, and cultural practices. The programme encouraged cultural understanding and provided a platform for meaningful interaction between the participants. Through this exchange, the clubs strengthened their connection and built international bonds based on mutual understanding and appreciation.
