2. Itr. Roshani Kumari Mahato (Audience): "Seeing all Interactors, youths aged 12 to 18 being so deeply aware about the constitution and the nation was indeed a great experience for me not only as an Interactor but as a part of the nation. All the participants in very short period of time prepared well, researched well and spoke entirely with confidence. Being present as an audience itself was a preasure for me and I believe I learnt a lot. I hope to see Interactors raise voice, learn and create lasting impacts in further days too."

3. Itr. Biniska Koirala (Participant): "Event was really interesting and it gave me opportunity to present my point of view infront of several people. As the event was organized in 3rd of Asoj in constitution day which was good time to talk about the topic too."
