Promoting oral health, spreading awareness about proper dental care, and ensuring early dental check-ups for young students.

About The Dental Camp, 2026

Introduction:

The Dental Camp was successfully organized by the Interact Club of Gyanda Academy in collaboration with Gyanda Visionaries United on August 18, 2026, at the school library. Conducted by Dr. Prerna Jha specifically for Classes 1 and 2, the program aimed to introduce young students to the essentials of dental hygiene. It provided a welcoming environment for children to learn about proper care and receive professional dental check-ups.

Project Summary:

Organized on August 18, 2026, the Dental Camp was a collaborative initiative by the Interact Club of Gyanda Academy and Gyanda Visionaries United held at the school library. Led by Dr. Prerna Jha, the camp was specially tailored for students of Classes 1 and 2 to promote good oral health habits from an early age. Participants received professional check-ups and guidance on maintaining bright, healthy smiles. Overall, the program successfully raised health awareness and benefited 100+ young students through engaging community service.
