

“TERRA-LINK”

Project No:07

Date: 17th of October,2026

Location: Online via Google Meet

Collaborated with: IC of Zaporizhzhia-Khortysia, IC of Tinst Glory, IC of North Point, IC of Colombo North, IC of Alexandria Marine Star, IC of Saptashri Gyanpeeth

Specified Community: International Service

Sponsored by: N/A

Guests: N/A

Area of Focus: Promoting International Understanding
and Cultural Exchange

About ‘ Terra-Link’

Introduction:

To promote international friendship and cultural understanding, the Interact Club of Annapurna SOS organized "Terra Link" via Google Meet. The event brought together international Interactors to share their country's rich history, diverse geography, unique traditions, and local folks, facts, celebrating global diversity and ending with an interactive quiz game.

Project Summary:

We gathered virtually with Interactors from Nepal, India, Ukraine, Egypt, and Tunisia to explore and celebrate our shared global heritage through an engaging exchange session. Participants presented key aspects of their respective homelands, highlighting unique historical events, geographical landscapes, traditional cuisines, and cultural customs. To make the program both educational and interactive, we wrapped up the session with a fun, fast-paced quiz game that tested everyone's knowledge on the diverse cultures shared throughout the event.

The main impacts/objectives of the event are as follows:

- 1.Promote cultural appreciation by sharing rich history, traditions, geography, and food across participating nations (Nepal, India, Ukraine, Egypt, and Tunisia).
- 2.Strengthening international relations and build lasting friendships across international Interact clubs worldwide.

Conclusion:

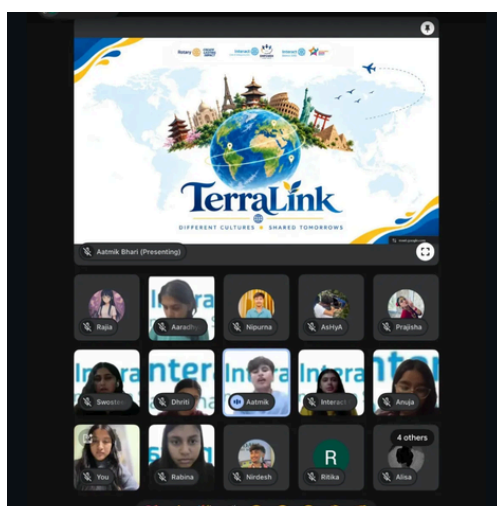

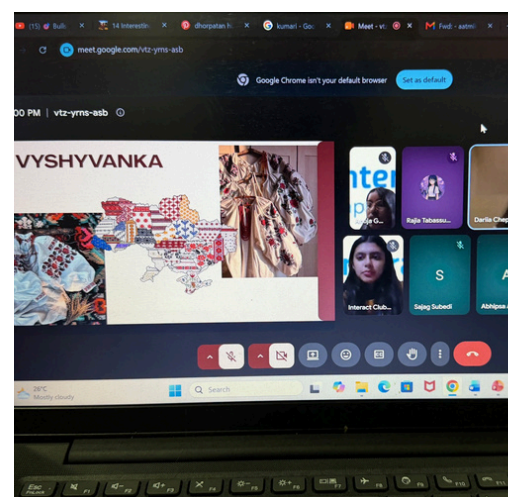

Overall, Terra Link was a resounding success, providing a vibrant and engaging environment for youth leaders to learn about different cultures, bridge geographical distances, and celebrate global diversity through shared stories and interactive gaming.

Feedback of the attendees

1. "Learning about different countries' traditions and cuisines in such an interactive way was amazing. The Kahoot quiz at the end made it so much fun!" (Itr. Aatmik Bhari)
2. "Terra Link truly connected us globally. It felt like traveling the world from our screens while sharing our own country's rich history." (Itr. Milan Bhetal)
