PROJECT REPORT

Project Number: 10
Date: October 19, 2026 (Monday)
Project Title: Dashain Fellowship
Area of Focus: Community Service
Venue: Amilia Old Age Home

Introduction

Dashain is one of Nepal's most cherished festivals, symbolizing love, blessings, family unity, and togetherness. On the occasion of this auspicious festival, a Dashain Fellowship programme was conducted at Amilia Old Age Home to share happiness, warmth, and festive blessings with the elderly residents. The programme aimed to make the celebration meaningful for the elderly by spending time with them, sharing Dashain tika and blessings, and creating a sense of family and belonging. It was a heartfelt opportunity to connect generations and remind the elderly that they are valued, respected, and remembered during special occasions.

Summary

The Dashain Fellowship programme at Amilia Old Age Home formally commenced with the presence of Rotaractors from the Rotaract Club. The programme began officially, followed by warm interactions among the participants and the elderly residents. The celebration continued with the traditional Dashain tika ceremony, during which the elderly residents received tika and blessings in a joyful and welcoming atmosphere. The Rotaractors spent quality time with the residents, shared festive moments, and helped create an environment filled with happiness, respect, and togetherness. The elderly residents were treated with love and care, making them feel valued and included in the celebration. Many of them regarded the young participants with the affection they would show their own grandchildren, creating a beautiful connection between the generations. The programme concluded with cheerful moments and heartfelt interactions, leaving both the residents and the Rotaractors with memorable experiences.

Conclusion

The Dashain Fellowship programme at Amilia Old Age Home was a meaningful celebration of love, respect, and intergenerational bonding. Sharing the traditional tika ceremony and spending quality time with the elderly brought happiness to the residents and strengthened the spirit of community service among the Rotaractors. The programme reminded everyone that festivals become more meaningful when celebrated by sharing joy with others. Through this initiative, the Rotaract Club created a warm and welcoming environment where the elderly felt appreciated, cared for, and remembered during Dashain.

People's Feedback

The elderly residents expressed happiness and appreciation for the visit and the opportunity to celebrate Dashain together. They treated the Rotaractors like their own grandchildren, making the gathering feel like a family celebration. The programme created a joyful atmosphere filled with love, blessings, and meaningful connections between the elderly residents and the Rotaractors.
