Sponsoring Organisation(s) :- Rotary Club of Narayani Mid-Town

Area of Focus: Maternal and Child Care

About “Feeding Little Angels”

Introduction:

On 16th October, 2026, Interact Club of Narayani Public School organized a meal feeding program for homeless and parentless little girls residing in Shri RamJanaki Balika Aashram at Devghat, Chitwan. This program was conducted on the occasion of International food day where we shared happiness, warmth and spent some time with them. Through this initiative, the club wanted to demonstrate its commitment to community service and support children in need of care and assistance. This program reflected the humanitarian service and collective responsibility towards the community.

Summary:

A Food Feeding Program took place on October 16, 2026, at Sri Ram Janaki Balika Ashram, Devghat, Chitwan, on the occasion of International Food Day. The idea behind this initiative was to feed and contribute to the happiness of the girls living in the ashram, sharing food and being kind and helpful to the needy children. There were not many girls but only few as the aashram was funded by the temple among many other aashrams. The program also emphasized the value of food in everyday life and the necessity to share it with others.

Firstly, little girls welcomed us with joy and putting 108 beads garland. They also sang a beautiful welcome song for us. Then, the mother of that aashram explained about the

history and foundation of that aashram. She's been working there for a long time. She expressed that all the girls felt joy whenever people from outside come to visit them. After that, We had a little conversation with all the little girls to make them feel cared. All the little girls were happy by seeing us. Eventually, we moved to the kitchen area and we started distributing meal to the kids. They sat in a proper manner in a straight line then we started distributing them. The program was successfully organized as we also donated few thousands money to that aashram for this future days. It might be not that long lasting but it helps them form atleast few months.

Conclusion

In summary, the Food Feeding Program proved to be a impactful step taken by the club to spread food, happiness, and care among young girls in Sri Ram Janaki Balika Ashram. The initiative highlighted the importance of helping and supporting others. It also built stronger bonds of community service amongst club members. At last, the little girls looked very happy and thanked us for our service and support.

Feedback

1. The mother of that aashram appreciated our work and said that we should do these type of projects in further days too. Also, she request us to frequently visit the aashram.
2. Our Vice President Itr. Susan Ranabhat expressed that he felt too grateful and blessed after this project. He felt very happy by spending time with the little kids in the aashram and feeding them the meal with some financial support provided.
