About "Dashain Fellowship with Interactors"

Introduction:

Dashain Fellowship with Interactors was organized on 16 October, 2026 at Rajmahal Events, Pokhara, bringing together Interactors to celebrate the spirit of Dashain and strengthen the bonds of friendship within the Interact community. The gathering aimed to preserve the essence of Nepali culture while creating a warm and joyful space for members to connect beyond their usual club responsibilities. Through festive greetings, cultural exchanges and cheerful conversations, participants shared the joy of the festival and celebrated the values of unity, respect and togetherness. The event reflected the belief that fellowship becomes more meaningful when people come together to honour their traditions and create lasting memories.

Project Summary:

The Dashain Fellowship brought Interactors together for a memorable celebration of one of Nepal's most cherished festivals. Held at Rajmahal Events, Pokhara, the gathering provided an opportunity for members to step away from their regular activities and enjoy the festive season in an atmosphere of friendship, cultural appreciation and mutual respect.

The program began with Dashain greetings and warm exchanges of wishes, allowing members to share their happiness and extend their heartfelt greetings to one another. These moments strengthened interpersonal relationships and reflected the traditional values of love, blessings and togetherness associated with Dashain.

The celebration also featured cheerful conversations, lively interactions and cultural exchanges, creating an atmosphere filled with laughter, enthusiasm and festive spirit. Members shared their experiences and traditions surrounding Dashain, appreciating the cultural heritage that connects people across generations. The gathering encouraged Interactors to build stronger friendships while embracing the values of harmony, gratitude and respect.

Beyond the celebration itself, the event highlighted the importance of fellowship in the Interact movement. It reminded participants that meaningful relationships are built not only through service projects and formal meetings but also through shared celebrations, cultural experiences and moments of genuine connection.

The Dashain Fellowship concluded as a joyful occasion that brought members closer together and celebrated the richness of Nepali traditions. It reinforced the idea that cultural celebrations can serve as a bridge between friendship, community and a shared sense of belonging.

Feedback of Attendees:

“The fellowship created a warm and welcoming environment where we could appreciate our culture while connecting with fellow Interactors.”

- Itr. Aayuska Koirala

“It was a beautiful reminder that Interact is not only about service and leadership, but also about building meaningful relationships and celebrating our traditions together.”
