About ‘ End Polio Now’

Introduction:

To help wipe out polio and spread health awareness on World Polio Day, our club joined the official "End Polio Now" rally. Organized by Rotary International along with all the Rotary and Rotaract clubs of Region 4 and Zone 3 Interact clubs, the event brought together young leaders and Rotarians to stand united for a polio-free world.

Project Summary:

The rally kicked off with a gathering at Sabhagriha Chowk, where everyone came together with colorful banners, shirts and caps. Alongside members of the Rotary family from across Region 4 and Zone 3, we marched all the way to Mustang Chowk. Along the route, we advocated with local community members to share why polio vaccination matters so much and to highlight Rotary's ongoing mission to rid the world of polio.

The main goals of the event were:

1. Raise Public Awareness: Educate people along the way from Sabhagriha to Mustang Chowk about the vital importance of getting vaccinated against polio.
2. Strengthen Rotary Family Collaboration: Bring Rotary, Rotaract, and Zone 3 Interact Clubs together to stand shoulder-to-shoulder for a shared global cause.
3. Advocate for Global Eradication: Support Rotary International's big "End Polio Now" mission through hands-on community action.

Conclusion:

Overall, the "End Polio Now" awareness rally was a powerful display of unity, public health advocacy, and teamwork. By marching together from Sabhagriha to Mustang Chowk with Rotary, Rotaract, and Zone 3 Interact clubs, we successfully spread vital health messages to the community and strengthened our commitment to a polio-free world.

Feedback of the attendees

Walking side-by-side with fellow Interactors, Rotaractors, and Rotarians for such a critical global cause made this rally truly impactful and inspiring." (Itr. Milan Bhetal)

2. "It was amazing to see so many young people and community leaders come together with banners and slogans to raise a voice for a polio-free future!" (Rtr. Saroj Baral)
