

Trail To Tranquility 2.0

Project number: 1

Date: 12th July, 2026

Location: Shanti Stupa

Specified committee: Club

Area of focus: Peace building and conflict prevention

About: 'Trail To Tranquility 2.0'

Introduction:

On 12th July, 2026, the Interact Club of Prativa Pokhara Fishtail organized a hiking event with the objective of promoting fellowship and strengthening the bond between the Board of Directors and club members. The initiative was planned to provide members with an opportunity to connect with each other along with creating meaningful friendships, enjoying nature, and build stronger sense of belonging within the club. The event was led by Itr. Pukar Dhakal along with the active participation of BODs and the club members.

Project Summary:

On 12th July, 2026, the Interact Club of Prativa Pokhara Fishtail successfully organized "Trail to Tranquility 2.0" with the objective of strengthening fellowship and promoting friendships among the BODs and the club members. The hike towards Shanti Stupa commenced at 8:00 AM from Damside, following the scenic Raniban trail, enjoying the views and embracing the nature while creating meaningful interactions. The event successfully promoted the spirit of fellowship. The hike was concluded as all the members returned safely after spending quality time. Overall, the hiking event was a memorable and successful initiative.
